EDUCATION

EPFL **Lausanne, Switzerland**
Master of Digital Humanities **2022 – 2025**

- GPA: 5.07/6.00
- Related Coursework: Data Science, Machine Learning, Neural Networks, Computer Vision, Digital Musicology

EPFL **Lausanne, Switzerland**
Bachelor of Systems of Communications **2018 – 2022**

- GPA: 5.02/6.00
- Related Coursework: Analysis, Database, Computer Security, Machine Learning, Theory of Computation

EXPERIENCE

Losinger Marazzi **Zurich, Switzerland**
Data Scientist Intern **2026**

STAT12 **Marseille, France**
R&D Intern - Data Science / Computer Vision **2025**

Deepki **Paris, France**
Customer Solutions Engineer Intern **2024**

EPFL **Lausanne, Switzerland**
Teaching Assistant **2020**

Freelance **Lausanne, Switzerland**
Private maths teacher for 5 different students **2017 – 2021**

PROJECTS

Neural Networks (PyTorch, DQN, Dyna)

- Built and compared the efficiency of two models for a specific experience using sparse rewards

Natural Language Processing (LDA, LSA)

- Conducted quantitative and qualitative analysis of memoirs written during the Paris Commune
- Conducted quantitative analysis of edits made to Wikipedia pages of U.S. election candidates

Computer Vision and Machine Learning (CNN, K-means)

- Studied and developed different machine learning models for football player recognition

Data Science and Visualisation (Pandas, Scipy, Seaborn)

- Analysed and presented how gender influences the IMDB dataset

Coding and Cryptography (Java, JavaCard)

- Coded NFC cards and built an Android app to be used for a biometric project for the Cryptography Lab of EPFL

SKILLS

Languages French (*Native language*), Persian (*Native language*), English (*C1*), German (*B2*), Spanish (*B1*)

Technical Python, Java, C, SQL, Matlab, Power BI, Docker, Snowflake, Databricks

Art-related Adobe Premiere, Photoshop, Audacity

Interests Cinema, Music (*Ableton, Piano*), Table tennis (*CTT Pully*)
